Current Journals Content
(July – Sept'23)

Current Journals Content

Current Contents is a current awareness database that provides easy access to complete tables of contents, bibliographic information, and abstracts from the most recently published issues of leading scholarly journals.

This is the compilation of contents of different available online journals. It gives the awareness for researchers and scholars about different articles published in Social Science subjects. I have provided Abstract link for all the articles and hyperlink for freely available articles. Purpose of this compilation is to give readers a medium to know about different published articles along with abstract.

Compiled by

Akila Ramesh
